The Honorable James W. Plummer
Under Secretary of the Air Force
Washington, D. C.

Dear Jim:

The NRP Resolution Study is off to a good start. Unfortunately I have had to use Hank Knoche to work with the Presidential Commission and this may well continue for the next several months. Therefore, a new Chairman must be assigned. I have decided to appoint Zeke Zellmer, Chief of the Office of Weapons Intelligence, to replace Hank as the Study Chairman. I have asked Zeke to be in close touch with you and your people. [redacted] of the IC Staff will, of course, continue to be supportive to Zeke and the Study Group in the same fashion as he was when he worked with Hank. I am notifying the Steering Group of this change by sending them a copy of this letter. 25X1

Sincerely,

SIGNED
